

Appl. No. 10/674,074  
Amdt. dated Sept. 29, 2006  
Reply to Office Action of April 26, 2006

Amendments to the Specification:

Please replace the paragraph beginning on line 28 of page 4 with the following amended paragraph:

In case a service account has insufficient balance or the main account has insufficient balance, the service accounting system can take actions based on the classification, i.e. take specific actions per service account. A specific action can be the disallowance of usage of a service associated ~~to~~ with the classification.
